

AL WASEEM TRANSLATION & SERVICES CENTER

COMPANY PROFILE

ABOUT US

ReallyGreatSite

Al Waseem Translation & Services Center is a top provider of translation and business services, helping businesses communicate better around the world. With over seven years in the industry, we've become a trusted partner for clients in many sectors, offering a wide range of language and business solutions.

We are a multinational company with a strong presence in Qatar, Nepal, and the USA. Our global reach allows us to meet the diverse needs of our clients, delivering services that are high in quality and accuracy. Our mission is simple: to break down language barriers and make communication between cultures and industries smooth and effective.

OUR EXPERTISE AND SERVICES

At Al Waseem Translation & Services Center, we offer a wide range of translation services across various industries. Our expertise covers areas such as medicine, finance, technology, law, telecommunications, politics, marketing, and tourism. We understand the importance of accurate and culturally sensitive translations in these fields, and we are committed to delivering translations that are both precise and contextually appropriate.

Our work ethics and apparatus are geared towards providing high-quality translations quickly. We firmly believe in balancing quality with efficiency. To this end, we have collaborated with over 300 translators who work exclusively in their native languages. Our extensive experience in the Gulf States, Asian States, and East European states has equipped us with particular strengths in Arabic, English, Mandarin Chinese, Russian, Spanish, German, French, and Hindi.

Our translators are specialists in their respective fields, including engineering, medicine, IT, law, economics, accounting, marketing, linguistics, and various other professions. This specialization ensures that we provide translations that are not only accurate but also relevant and tailored to the specific subject matter.

With offices in Qatar, Nepal, and the USA, we are able to manage projects efficiently and exceed our clients' expectations. Our strong global network of partners allows us to offer translations in over 150 languages, including both major and less common ones.

VISION

Our vision is to become a global leader in translation and business services, known for our commitment to quality, punctuality, and affordability. We strive to set the standard for excellence in translation, localization, interpretation, and other language services. By continually enhancing our skills and expanding our global presence, we aim to be the preferred choice for businesses and organizations worldwide.

MISSION

01

Deliver Top-Quality Language Services: We provide high-quality translation services that enable our clients to communicate effectively in the global market.

02

Ensure Accuracy and Contextual Appropriateness: Our translations are precise, contextually appropriate, and adhere to the highest professional standards.

03

Leverage Specialized Expertise: We utilize our network of specialized translators to meet diverse language needs with excellence.

04

Build Trust with Clients: Our goal is to be the trusted partner for all our clients' language-related needs through our commitment to quality and professionalism.

KEY FACTORS

Core Values

Our core values are integral to our success and shape every aspect of our work. We view our employees and clients as our most valuable assets and are dedicated to creating a positive work environment that encourages our team to reach their full potential.

We are guided by principles of loyalty, commitment, passion, respect, and optimism, which influence how we interact with both our employees and clients. These values ensure that we maintain a high standard of professionalism and integrity in all our operations.

Client Commitment

Our client commitment is the cornerstone of our business. We build our success on the trust and support of our clients, and we strive to deliver high-quality services that precisely meet their needs. We are proud of our track record for timely deliveries and exceptional after-sales support, which has fostered high levels of customer satisfaction, long-term relationships, and positive feedback.

Our diverse client base includes prestigious law firms, corporate offices, various agencies, and private individuals. We prioritize the privacy and confidentiality of our clients' documents, ensuring their security and maintaining their trust in our services.

COMPREHENSIVE SERVICE OFFERINGS

Al Waseem Translation & Services Center is more than just a translation company. We offer a wide range of business solutions tailored to the needs of individuals, small businesses, and large corporations.

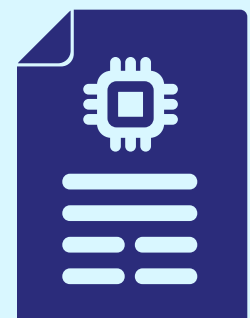

Authorized Translation Services:

We provide certified translation services for all types of documents, including legal, business, personal (such as birth and marriage certificates), educational, and medical documents. Our certified translators ensure accuracy, precision, and timely delivery.

Technical Document Translation:

We specialize in translating technical documents, ensuring that the original meaning and context are preserved. Our translators are experts in various technical fields, providing reliable and precise translations that meet industry standards.

Audio-Video Translation:

We offer comprehensive audio and video translation services, including transcription and subtitling in various languages. Whether it's a corporate video, training material, or media production, we ensure your content is accurately translated and culturally adapted.

Website Translation:

In today's digital world, a multilingual website is crucial for reaching a global audience. Our website translation services cover all aspects of web content translation, including e-commerce product descriptions and mobile applications. We ensure your website communicates effectively with your target audience, regardless of language.

Personal Documents Translation:

We provide translation services for personal documents, including certificates and other important papers, with attention to detail and confidentiality.

Commercial Documents Translation:

We provide precise translations for business and commercial documents, including contracts, financial statements, and corporate communications. Our expert translators ensure that your documents meet all legal and industry-specific requirements while maintaining confidentiality and accuracy.

Media/Publication/Advertisement Documents Translation:

We translate media, publication, and advertisement materials, adapting your content to effectively reach and resonate with diverse cultural audiences. Our services ensure your message remains impactful and culturally relevant across different languages.

Medical Records/Reports Translation:

Our expertise includes translating medical records and reports with precision, ensuring that critical medical information is accurately conveyed.

Business Registration and Company Formation:

We streamline the process of setting up your business with services like Consultation & Planning, Business Structure Selection, Name Reservation, Document Preparation & Filing, and EIN (Employer Identification Number) acquisition. We also offer Compliance Setup, Registered Agent Services, Business Address Provision, and Privacy Protection to ensure smooth and compliant operations.

We handle all types of document translations and are equipped to manage large-scale projects efficiently.

OUR GLOBAL PRESENCE

Al Waseem Translation & Services Center is a truly global company. With offices in Qatar, Nepal, and the USA, we leverage our international presence to better serve our clients. Our global locations give us access to a diverse talent pool and resources from different regions, allowing us to offer services tailored to the needs of clients in various markets.

We are committed to operating ethically and responsibly in all our locations. Our goal is to make a positive impact in the communities we serve while delivering exceptional services to our clients.
